Dear Dancing Friends

Here we are again well into the autumn season and thinking about our Festival next year. We are especially pleased to have Marian Anderson and her band to play for us again. Let's hope she brings some more wonderful weather with her to match her music. We hope that many of you will join us for this treat.

We are currently putting the finishing touches to the programme for the 2019 Festival. To whet your appetite, the programme for the afternoon adult mass dances and the social dance in the evening can now be viewed on the [White Rose Festival website](#), I hope you enjoy the dances as much as I have in trying them out. The list of demonstration dances and the junior afternoon programme should be ready before Christmas and booking will open in January as usual. As always, please pass this on to anyone who might be interested, and if you do not wish to receive these newsletters in the future just unsubscribe via the link at the bottom.

I will contact you again when everything is in place. In the meantime on behalf of the White Rose Festival Committee I look forward to seeing you next year.
