Privacy

Each year we ask you to complete and return a form with your personal details. These are checked against the information that we have for you in our records to ensure that they are up to date and correct.

Personal details are kept solely for the purpose of contacting members with (a) RSCDS information, Bristol Branch information, and (b) other local dance related information deemed appropriate by the committee, or a member thereof. Your details will not be passed on to any other organisation. Your details will not be given to other members without you first being asked. Electronic communication is thought to be the fastest and most effective means of communication and will normally be used. Those with no email address will receive paper communications.

Please also note that from time to time photos/videos are taken in class or at an event. These may be used on Bristol RSCDS social media to publicise and promote Scottish Dancing and our club. If you have any objections to any of the above, please inform the committee.

Please find the Personal Details form sent as a separate document for ease of printing/returning.
