Privacy

Each year we ask you to complete and return a form with your personal details. These are checked against the information that we have for you in our records to ensure that they are up to date and correct.

Personal details are kept solely for the purpose of contacting members with (a) RSCDS (HQ) information and Bristol Branch information, and (b) other local dance related information deemed appropriate by the committee, or a member thereof. Your details will not be passed on to any other organisation. Your details will not be given to other members without you first being asked. Electronic communication is thought to be the fastest and most effective means of communication and will normally be used. Those with no email address will receive paper communications.

Please also note that from time-to-time photos/videos are taken in class or at an event. These may be used on RSCDS Bristol social media to publicise and promote Scottish dancing and our club. If you have any objections to any of the above, please inform the committee.

Please find the Personal Details form below (Page 3). This can now also be completed on the RSCDS Bristol website <https://www.rscdsbristol.info/membership-form/>

Magazine

In the past, members have received a printed magazine twice a year as part of their membership. However, due to rising costs and the fact that many people prefer to receive such communications on line, the RSCDS has decided to go digital. This means that every member will receive two digital magazines per year. However, if you should wish to continue to receive a printed copy of the magazine, you may buy them this year at the reduced cost of £3 for the two magazines. This fee will be reviewed in 2027. Please indicate on your Personal Details form, whether or not you would like to continue to receive a printed magazine and add £3 to your subscription fees.
